

CHAPTER EVENT

May 21 • Noon-3:30pm

Understanding OSHA in the Natural Stone Industry

Speaker:

Representative from New Jersey Department of Labor & Workforce Development On-Site Consultation Program

Participants will learn:

- How to prepare your business for an OSHA inspection
- What OSHA looks for when performing a facility walkthrough
- Learn where to find safety resources that will help your safety program

Please Note: Attendees names and companies will NOT be provided to OSHA

All attendees will receive the *Safety in the Stone Business Handbook*.

Local Chapter Members \$25

Non-Local Chapter Members \$50

Event Sponsor: \$150
