**12:00 PM TO 4:00 PM**

**LUNCH INCLUDED**

## MEET OUR FACTORY REPRESENTATIVE

LEARN ABOUT NEW PRODUCTS AND FIND SOLUTIONS TO WORK EFFICIENTLY

**SPIKE DISC** - this disc removes coatings/materials quickly without damage to the concrete surface. It also has a unique open-mesh diamond layout to eliminate clogging problems, thus avoiding heat build-up.

**ECOGUARD TYPE G** - is intended for use when grinding with wheels up to 5" in diameter. It is made of high-quality construction for heavy-duty applications. This dust collection cover creates a virtually dust-free environment when connected to a vacuum.

**CERAMICA DRY** - polish all natural stones to a high-quality shine without water using the Alpha® Ceramica Dry Polishing Discs!

**TURBOSHINE** - Alpha® Turboshine Polishing system can be used for seamless countertop installations and scratch removals for natural and engineered stones!

**PORCELLANA BLADE** - The Alpha® Porcellana produces high quality cuts that will minimize waste and improve your bottom line. The 8" and 10" blades are equipped with a 10mm continuous rim, which provides for a long cutting life.
