G-Tape

INNOVATIVE SOLUTIONS

This tape is waterproof and tears straight and easily by hand. It is highly weather/UV resistant and can be used in temperatures ranging from -40°F to +200°F. The ability to reposition it makes it great for quick repairs on all kinds of surfaces. The best part is that, although the adhesion is strong, it does not leave any residue when removed. Use this tape on all your projects with great results!

Key Features and Benefits

- Hand Tearing-Straight & Easy
- Residue Free Removal
- Waterproof
- All-Weather Usage (-40°F to +200°F)
- Repositionable
- Great for Quick Repairs
- Highly Weather/UV Resistant
- Good Surface Protection

All G-Tape™ products feature a patented combination of solvent acrylic adhesive with an advanced backing substrate that results in unmatched performance.
