

PRESS RELEASE

Introducing G-Tape

Oakland, NJ

January 16, 2017

Alpha® introduces G-Tape... A Multi-Purpose Masking, Hard Surface Protection and Repair Tape designed to be used almost anywhere. This new tape is waterproof and tears straight and easily by hand. It is highly weather/UV resistant and can be used in temperatures ranging from -40F to 200°F. The ability to reposition it makes it great for quick repairs on all kinds of surfaces. The best part is that, although the adhesion is strong, it does not leave any residue when removed. Use this tape on all your projects with great results!

Part No.	Type	Recommended For	Case Quantity
